

Pre-Settlement to Moving Day Checklist — Western Australia

The logistics, from signing (which is binding immediately) to move-in.

Correct as at July 2026. General information only, not legal or financial advice.

Section 1 — Immediately After Signing

- ☐ [] **Remember you're already bound** — there's no cooling-off period in WA, so from the moment of signing, move straight into settlement preparation rather than treating the early days as a reconsideration window.
- ☐ [] **Confirm building insurance timing with your settlement agent** and arrange cover promptly.
- ☐ [] **Send your signed contract to your lender/broker immediately.**
- ☐ [] **Engage your settlement agent or solicitor formally** to begin searches and liaison with the seller's side.

Section 2 — 4-6 Weeks Before Settlement

- ☐ [] **Finalise unconditional loan approval.**
- ☐ [] **Get at least 3 removalist quotes** and book early.
- ☐ [] **Start decluttering and sourcing packing materials.**
- ☐ [] **Notify your current landlord/agent (if renting)** of your move-out date, respecting your required notice.

Section 3 — 1-2 Weeks Before Settlement

- ☐ [] **Organise utility connections** — electricity, gas, water, internet/NBN.
- ☐ [] **Arrange disconnection at your current address** for the day after you vacate.
- ☐ [] **Redirect your mail** via Australia Post.
- ☐ [] **Update your address** with: the electoral roll, your bank(s), employer, Medicare, insurer(s), and the Department of Transport (driver's licence and vehicle registration).
- ☐ [] **Confirm final settlement figures**, including rates and strata levy adjustments if applicable.
- ☐ [] **Lodge your FHOG application with your home loan application** if you haven't already — this is the recommended timing in WA rather than waiting until after settlement.

Section 4 — Settlement Week

- ☐ [] **Book your pre-settlement inspection** to confirm the property matches the agreed condition and inclusions.
- ☐ [] **Confirm final funds transfer arrangements** with your settlement agent and lender.
- ☐ [] **Confirm key collection arrangements.**
- ☐ [] **Confirm your removalist booking for the day after settlement** (or settlement day if timing allows).

Section 5 — Moving Day and Just After

- ☐ [] **Do a final walkthrough before unpacking**, photographing anything not present at your pre-settlement inspection.
- ☐ [] **Locate your fuse box, water mains shut-off, and gas shut-off** early.
- ☐ [] **Set up home and contents insurance** if not already arranged.
- ☐ [] **Register relevant council services** if not automatically transferred.
- ☐ [] **Keep all settlement paperwork** together — contract, loan documents, FHOG confirmation.
