

Landlord Compliance Checklist — Queensland

The obligations every rental provider must meet under the RTRA Act and 2024–2026 reforms.

Correct as at July 2026. General information only, not legal advice. Confirm current requirements with the RTA before relying on this checklist alone.

Section 1 — Minimum Housing Standards

Since 1 September 2024, all rental properties in Queensland must:

- ☐ ☐ **Be weatherproof, structurally sound, and free from mould and vermin.**
- ☐ ☐ **Have functioning locks** on external doors and windows where reasonable.
- ☐ ☐ **Have adequate plumbing.**
- ☐ ☐ **Provide privacy window coverings.**
- ☐ ☐ **Provide safe fixtures and fittings.**
- ☐ ☐ **Provide a functional kitchen and laundry**, where these are supplied as part of the tenancy.
- ☐ ☐ **Note the RTA's practical approach for older properties** — fixtures that are safe and functional, even if outdated, are generally accepted; the standard is about safety and function, not modernisation.

Section 2 — Applications and Privacy

- ☐ ☐ **Use the standardised rental application form (Form 22)**, mandatory since May 2025.
- ☐ ☐ **Follow the new rules on personal information** — collection, storage, and destruction requirements were tightened alongside the Form 22 changes.

Section 3 — Rent and Ending Tenancies

- ☐ ☐ **Increase rent no more than once every 12 months**, and remember this limit is tied to the **property itself** (since 6 June 2024), not the individual tenancy — you can't reset the clock by ending and re-letting.
- ☐ ☐ **Know no-grounds evictions have been banned since 1 October 2022**. You need a valid reason: sale requiring vacant possession, significant renovation, owner/family member moving in, or a genuine breach.
- ☐ ☐ **Provide correct notice periods** for the specific ground you're using to end a tenancy.
- ☐ ☐ **Complete the formal notice process for rent arrears**: this generally follows a structured breach notice and remedy period before any QCAT application for possession.

Section 4 — Bonds

- ☐ ☐ **Never request more than 4 weeks' rent as bond.**
- ☐ ☐ **Lodge bonds with the RTA** — you don't hold bond funds directly.
- ☐ ☐ **Complete entry (Form 1a) and exit (Form 14a) condition reports** for every tenancy.
- ☐ ☐ **Be aware of the portable bond pilot** in South East Queensland (from January 2026) if your outgoing/incoming tenants are eligible.

Section 5 — Pets and Household Circumstances

- ☐ ☐ **Respond to pet requests within 14 days**, or consent is automatically deemed granted.
- ☐ ☐ **Only refuse on reasonable grounds** — a blanket policy isn't compliant.
- ☐ ☐ **Understand the co-renter protection for family violence situations** — since 6 June 2024, a co-renter can apply to QCAT to be recognised as the sole renter where a household member is violent, which may affect your tenancy agreement independent of the original arrangement.

Section 6 — Penalties and Disputes

- ☐ ☐ **Understand QCAT's powers** — repair orders, compensation, possession orders, and bond dispute resolution all sit with QCAT.
- ☐ ☐ **Keep thorough records** — rent payments, repair requests and responses, condition reports, and all tenant communications, since QCAT decisions rely heavily on documented evidence.
